## The Success Foundation Newsletter

The Success Foundation was proud to co-host a 3-day free Prom pop-up shop with Aubrey's Closet. The event was held Friday, March 31 through Sunday, April 2; at The Fiesta Mansion (event center) and was open to all District 6 students. Aubrey's closet is a non-profit organization founded by Connie Sacco, in honor of her daughter Aubrey. Aubrey graduated from Greeley Central High School, then went on to graduate from CU in 2009. In April of 2010, Aubrey tragically went missing on a trek in Nepal; and still has not been found. Aubrey sparkled, and loved to help others shine, so Connie is generously continuing her daughter's legacy through Aubrey's Closet. Over the three-day event, Aubrey's Closet was able to give 70 district students formal attire including dresses, menswear, shoes, handbags and jewelry. Seeing the smile on student's faces when they find what they are looking for is what brings the most joy to Connie. The Fiesta Mansion was a beautiful and inviting space for the students, and The Success Foundation is proud to help in honoring Aubrey while also servicing District 6 students.

It's never too late to give!
